Gray Gelding 1996

Owner: Nathan Sandland, SD

Alvin is a 14 yr old gray pony. He stands to be messed with and is always willing to ride out. He loads great and backs off with ease. This little pony is very well broke and can keep up with the big horses. He had done ranch work until he came to our house. Our daughter has used him in Mitchells rodeo parade and pulled him from the pen in December to help move cows for the neighbor. Last weekend they gathered 200 pairs for fall work. She has spent time with him in the arena giving rides to her little brothers and teaching Alvin to jump. Alvin needs a rider that is able to ask for what they want. Current on vaccinations including rabies.

LOT #9 GO RICKEY BAR

Reg#3627204 AQHA
Sorrel Gelding 06-10-97

Owner: Travos Grave, SD

Very nice big powerful gelding that can do it all, all day long. He has been pasture roped off of, drug calves to the fire, and everything else. I use him at the salebarn evry sale day sorting and penning cattle back. He side passes to open gates and will plow right into a pen full of cattle. Also very gentle he has been trail rode hundreds of miles by all different ages of riders. He has some scars on both back legs that happened years ago. He is very much sound, Like I said I use him every sale at the salebarn to pen and sort cattle all day. Branded on left thigh.

This is a 6 year old gelding we bought from Fischer Farms 3 1/2 years ago. He is an own son of Strait from Texas and had 120 days training him. This was my sons horse and he has moved away to go to school and decided to sell him. This horse has gone to the Black Hills where we would put 20 miles a day for a week on him and had no problem. He will go through deep water good thing this year. He hauls, clips, stands for the farrier. He has good ground manners. He will lunge, trail a cow, has been Team Penning. We used him to move cattle from pastures that were completely under water. He gets along well with other horses or alone.

Easy to get along with. Have had him on trails and he was a perfect gentleman.

Very soft in the mouth and very responsive. Have been throwing a rope at him and off him. He is taking it very well.

Will roll back over his hocks and turn around.

Great rope or barrel prospect. Very smooth.

Will make a very nice gelding.

Bay Mare 2005

Owner: Nathan Sandland, SD

Baton's Baby "Penny" is a 5 year old bay TB mare who sells with Jockey Club papers. Penny is a very kind, very broke mare that was lightly raced as a 3 year old. She stands 14.2 hands tall. This mare is a 4-Her or trail riders dream . She comes when called, stands quiet while tied, clips, and loads. She has been ridden in the arena at home some and has also been on trail rides, most recently on a long weekend in the river hills west of Platte. We have also used this mare to gather pairs for fall work this past weekend, she crosses deep water and works hard to help you get your work done. Penny is very eager to please and likes to be used, however she is also a horse that can stand for a couple of months and get right back to work without any hesitation. She is up to date on her vaccinations including rabies. This mare will be ridden in the preview and papers will be available the day of the sale.

Palomino Gelding 06-18-06

Owner: Stephanie Jacobsen, SD

Sisco is a gorgeous dark palomino gelding, great ground manners. Has all the qualities you want in a great cow horse. He is athletic, pretty mover, gorgeous, great conformation & bred to be a cow horse. Sisco is easy to catch, trim, load, bath, quiet, & very respectful. He has had 30 days of reining done on him, but due to an injury. I had to turn him out for 8 months to recovery. He is healed and ready to go. Should have some time put back on him before sale day.

Jack is a one of a kind halflinger/QH cross that is broke to ride and drive. He has been trail rode a lot and is safe and gentle. Jack has also been used on an Amish Farm for field work. Jack is stocky made crossbred that should make a nice carriage or trail riding horse.

Mare 1994

Owner: Sheila Cramer Maffett, SD

This mare is broke and needs no practicing, but may work better for an experienced rider. She has been shown in 4H western riding, barrels and poles, 4H rodeo, play days and jackpots. Great turns and the speed needed to be competitive in junior events. No buck, rear or bite. She is great for the farrier and easy to haul.

Gray Gelding 2003
Owner: Shawn Hart, SD

16.0 Hands tall. He is a finished head horse and a finished barrel horse. He is the type of horse that an inexperienced barrel racer or team roping header would get along great with. He is very solid in the box and runs an automatic barrel pattern. If you are looking for one horse to take to a 4-H rodeo and kick their butts with, this is the horse. This horse has lots of run and you can compete at any level, and the best thing is the inexperienced rider will get along great.

Reg# 2820166

Gray Mare 02-08-89

Owner: Courtney and Carsen Shereck, SD

Penney "Shoemaker Delight" is a 21 year old flea bitten light gray mare. She wears a heart shaped freckle on her right shoulder. She looks more white than gray. Her feet are sound, clips well, and doesn't require a whole lot of maintenance. We have had several foals out of her over the years but, at her age would not suggest breeding her anymore. Was told that she was an outstanding mother. She has been ridden primarily western trail, down the road, and at our local arena over the years. Penney looks and acts much younger than her age. She has been most recently owned, ridden, and loved by a 12-13 year old girl and by her 8-9 year old brother. Any family member can ride her. She walks, trots, and lopes well. She loves attention, and brushing. She saddles, takes a bit is good sound, and safe. Her shots are up to date, been regularly dewormed, and recently had her teeth floated. She has been a happy addition to our family for several years. Primary reason for selling her is that one our family members has developed cancer and we can't afford to keep her anymore.
